The Jet Rebellion Wants You

GO TO SCHOOL

Grade school, high school, college life
Which ever it may be
Each day becomes another one
To keep in memory
Sitting in the classroom may
Not be exactly pleasant
But you want education, and
You're glad that you are present
And so eventually you learn

To help your mind and morals and
Your character to grow
School is truly wonderful
At broadens brain and vision
Especially in guiding you
To make the right decision
Do go to school, you have time
No matter what your age
Your knowledge will be greater with
The turning of each page.

COACH

He is the one who trains a team
 With faith and expectation
 That someday it will be among
 The best ones in the nation
 He drills and drives from day to day
 To bring about perfection
 And boost morale, to give each boy
 The healthiest complexion
 His time is taken up with things
 To numerous to mention

Yet every players problems get
 His personal attention
 And as he strives to shape the skill
 That wins in competition
 He hopes and prays that he will gain
 His greatest recognition
 Not by the scores and victories
 of physical collisions
 But building character in youth
 To make the right decisions.

Northeastern Schools

Greetings to all Students and Friends
of Northeastern High School;

Congratulations to the Yearbook staff for preparing such a fine record book of memories.

As we turn back to these pages down through the years, may the experience of remembering be filled with pride and satisfaction knowing that each lived every moment to the fullest during the year of 1966-1967.

I am proud and honored to know that my name has been entered with all the others on a page of Northeastern's history.

Mr. Stephens

Mrs. Yeoman, Secretary

Mrs. Rice, Dietician

MR. CHARLES PRICE, Principal

I would like to congratulate the members of the annual staff and their advisor for the fine job they have done in preparing this edition of the Jet. I am sure that it will bring back many fond memories of your high school days.

I hope that your school has served you well and you will approach the future with the same spirit of cooperation and enthusiasm as you have exhibited here at Northeastern.

Best wishes for a bright and prosperous future.

And a hail, to Dinny!

What more can we say?
He never could find it
By night or by day,
Cause every damn time, Love
It got in his way.

Don't know why I came here,
Just followed my nose;
Couldn't say what I'm after,
Can't wait till it shows;
Can't give you its name here,
Heard it lies in my way;
Don't know what I'm here for;
Thought you could say.

JIM McQUIRT

For a long time, a method has been sought to honor those students who have displayed not only athletic prowess, but also high scholastic ability. Thanks to the Northridge Lions' Club, this idea became reality in 1967 when six students were presented scholarship award trophies. These athletes exemplify the ancient words of wisdom, "a sound mind in a sound body."
